

Sky's Testimony

I was raised in a Christian home and I have always loved the Lord, but I have grown to new levels in the past year — partly due to “The Most Excellent Way.”

When I was a child, I turned to pornography to help me forget pain and hurts. It was my secret sin that very few people knew about. I felt shame about that sin and it created a barrier between God and me. The problem turned into an addiction that I could not stop. I was doing things I never imagined myself doing. But with the help of the “The Most Excellent Way” ministry team, I began to understand how to really submit my out-of-control life to the Lord.

The love of Christ flowed through the leaders. The Holy Spirit ministered to me. I began being really honest with myself and others. I began an intimate walk with the Lord like I’ve never walked before.

With the help of God, I forgave my father for past sins, reconciled with my wife and son, and truly repented of my sexual sins to my family and God.

I believe I am delivered from my addiction to pornography. Although I still keep it in check, and recognize I am one step away from relapse, always, I don’t intend ever to go back to my previous life. ...

Praise God! Without Him, I can do nothing. He keeps challenging me! ■

“Anonymous”

I was 20 when I accepted Jesus into my heart. But I didn’t understand about serving and living for Him. I was selfish before I became a believer—all I cared about was myself.

After 20 years of a sinful lifestyle, I couldn’t stand the misery and the shame any-more. I was destroying everything in my life—my marriage, my children, my life. I also knew I needed forgiveness so I could forgive others.

Since surrendering my life to the Lord, He has done great things. He has restored my marriage and given my children back to me. He’s helped me not to run from my problems, but to trust Him in everything. And He’s teaching me to think before I react. My goal is just to walk through the doors that the Lord opens for me.

I love my wife so much for loving me and praying for me all those years. The last two years have been the richest years of my life. I thank the Lord for never giving up on me. As I walk with the Him daily, it is exciting to see what He will do next.

“The Most Excellent Way” group has really helped me to grow. And I love the fellowship. I want to see people grow in the Lord and to get help, healing, reconciliation, and [spiritual] maturity.

When I surrendered and rededicated my life to the Lord, His Word is what set me free—the Lord changed my desires. ■

“I always thank God for you because of His grace given you in Christ Jesus. For in Him you have been enriched in every way—in all your speaking and in your knowledge—because our testimony about Christ was confirmed in you.

*He will keep you strong to the end,
so that you will be blameless on the day of our Lord Jesus Christ.”*
