

The Most Excellent Way ~ Testimonies

Thank You, Jesus!

Dear Lord,

There are so many things to be thankful for. You have truly given me a new start on life through your Son, Jesus Christ. My words can't express my true feeling about what You have done in my life. You said, "The thief does not come except to steal, and to kill, and to destroy. I have come that they may have life, and that they may have it more abundantly" (John 10:10 NKJV).

I guess I had to learn the hard way. Not that I regret the past, because as time has gone on, You have shown me that even though I was a drug addict, thief, liar and many other things, You loved me. You were even willing to let Your only Begotten Son die for me so that I could start life all over again. I don't deserve that, but I accept it. Thank You, Lord.

I also want to thank You for the new friends You brought into my life through "The Most Excellent Way." I have met some new people — friends that really care for me and accept who I am, not for what I can give them. They really care when I am hurting or struggling, because they know what it feels like to hurt or struggle — they have been there too.

I also want to thank You for restoring my relationship with my family. I have caused them a lot of pain in the past, but they have forgiven me because of what You have done in my life.

There are so many other things that I am thankful for ... Your Word and promises that You make. These things give me hope — hope that is real. I really need that.

Thank You! I love You!
Terry

Therefore, if anyone is in Christ, he is a new creation; old things have passed away; behold, all things have become new. ~2 Corinthians 5:17 NKJV

Dear Lord,

You have been very good to me. You have lifted me out of the slimy pit, out of the mud and mire and set my feet on the rock and have given me firm place to stand. For this I am forever grateful.

I have never known peace or love like the Lord Jesus has shown me. It is a peace and love that the world never gave me. Jesus took this broken and battered woman and began to do a work within me. I thank you, Lord that I can have peace in my heart when I face hardships and trials. For I know that You are molding me into a godly woman.

Most of all, Lord, I want to thank you for healing me of nineteen years of drugs and alcohol abuse. You have truly set me free.

Through your wonderful ministry, "The Most Excellent Way," I was able to overcome my addictions to drugs and alcohol.

Thank You.

I am truly a modern-day miracle.

Your faithful servant,
Kristine
